LES NOUVELLES ESTHÉTIQUES & SPA, AMERICAN EDITION

The Leading Magazine For Skin Care And Spa Professionals Worldwide

Established in 1985, *Les Nouvelles Esthétiques & Spa*, American Edition, is the leading source of information for every segment of the skin care and spa industry in North America.

Our mission is not only to inform our readers but to ignite and nourish their passion for the skin care and spa field.

Our topics cover the latest skin care and spa treatments, business ideas, medical breakthroughs, profiles on industry leaders and each season's hottest trends in image and makeup.

Through its articles, *Les Nouvelles Esthétiques & Spa* provides cutting-edge information on developments and techniques. Each issue is packed with thought-provoking, well-researched articles that you can turn to again and again, which is why our magazine has become an integral part of industry professionals' libraries.

A CONNECTION FUELED BY PASSION!
