

The 2017 International Congress of Esthetics and Spa Miami!

The Hyatt Regency Hotel in Downtown Miami was home to thousands of spa industry professionals on October 22nd and 23rd. Spa directors, spa owners, estheticians, dermatologists and medical spa professionals gathered alongside the Miami River to showcase new products, combine new techniques and discuss the industry's latest innovations. The International Congress of Esthetics and Spa was an INSPIRING two days of bringing together like-minded professionals in an energized, electric atmosphere. Attendees, exhibitors and speakers linked together to discuss

the art of reinvention, taking both their newly found studies and years of experience to ignite a new spark of enthusiasm to drive growth and success!

An Energizing Main Stage Lineup!

Jaclyn Peresetsky, master esthetician and host of this year's Miami Congress, lit up the Main Stage both Sunday and Monday morning with an uplifting Opening Ceremony centered on DARING to make a change within yourself and your business. Spreading encouragement with every word, Jaclyn

gave each attendee the SPARK to inspire a new chapter in their career. She encouraged attendees to participate in motivational yoga movements, healing vibrational therapies, advanced breathing techniques, happiness and gratitude lectures and MORE! A contagious energy flowed through the aisles of our Main Stage on both Sunday and Monday as skin care and spa professionals came TOGETHER to not only soak up new knowledge and perspectives, but also BALANCE and OPEN their minds to the increasingly popular trends of this captivating industry.

Filled with inspiration and ecstatic energy!

Comprehensive Tools For Success...

Attendees had the opportunity to learn from the BEST about how to bring joy into the lives of their clients through topics that THRIVED on rejuvenating the energy of a business! Experts provided a well-rounded plethora of tools, tips and trends in a variety of conferences including Marketing, Business, Retail, Happiness, Mindfulness, Makeup and Social Media, where they released the latest trends and styles customized for different clientele! Attendees took advantage of each expert's willingness to provide nothing but the BEST information to further the growth of their own success.

A Chance to Discover and Enhance Industry Skills!

Product Focused Training sessions concentrated on meshing technology with beauty and wellness. Spa industry experts guided attendees, motivating them to REINVENT their businesses with innovative technologies and exclusive information that they received in these intimate training sessions. Experts revealed their insights on chemical peels, micro-channeling, cosmetic lasers, anti-pollution skin care and MORE, while attendees had the opportunity to work hands-on with the most groundbreaking waxing methods, micro-needling techniques, quick-fix peels and LED technology.

Packed with Products, Tools and Trends...

Exhibitors covered the floor with their latest and HOTTEST products, engaging with attendees and guiding them on their own paths to success. A sense of community quickly formed as clients and business members exuded

An incredible lineup of speakers and exhibitors!

POSITIVITY as they moved from one exhibitor booth to the next! Innovative products, fresh techniques and bustling trends added an extra dose of inspiration to this year's Exhibitor Floor as attendees had the opportunity to network one-on-one with exhibitors while the ECSTATIC energy on the floor reminded attendees why they chose to work in such a beautiful industry.

The International Congress of Esthetics and Spa, Miami offered a two-day exclusive opportunity for attendees to refresh their minds within a supportive, like-minded community. Exhibitors, speakers and attendees shared their passions for all things skin care, spa, and wellness, while helping one another inspire greatness within themselves.

Spa + Wellness Summit

A NEW way of WELLNESS debuted in Miami this October 21st-23rd at our Spa + Wellness Summit held at the Hyatt Regency Hotel in Downtown Miami! Co-hosted by The International Congress of Esthetics and Spa, professionals from all over the world gathered TOGETHER with some of the industry's LEADING educators and holistic healers for a weekend filled with workshops and conferences specifically designed to guide attendees into reviving a vibrant light within not only themselves,

but also within each of their clients.

Incense, candles and a mandala of roses created a warm energy in the room as attendees of the Summit gathered to embrace the WELLNESS shift. Attendees throughout the weekend indulged in a series of emotional mind-opening meditation techniques, negative energy-shifting techniques, sound healing therapy practices and an opportunity to connect to their inner self through the power of an eye gazing experience, and were enlightened with the expertise of industry professionals' tips and tactics for incorporating wellness programs, superfoods and super herbs into their businesses. Attendees of the Summit opened their eyes and embraced the opportunity to connect with each other while accessing some of the most cutting edge transformational resources of this beautiful industry. Exhilarating HAPPINESS and MINDFULNESS conferences concluded both Sunday and Monday and guided attendees into discovering a whole new world of WELLNESS!

We look forward to seeing you next year on October 28th and 29th for The 2018 International Congress of Esthetics and Spa, MIAMI!
